

## **Important information relating to passport fees.**

Dear passport applicant,

Please read this hand-out carefully before you lodge your passport application at a Danish mission (embassy or consulate).

Generally, renewal of your Danish passport is a straightforward procedure. However, applicants need to be aware that the details of some applicants' circumstances may give rise to questions around their eligibility to obtain a Danish passport. Your attention is in particular drawn to the ***Citizenship by Descent*** rule and the ***22-year rule***.

You are therefore strongly encouraged to check the passport and citizenship information on the following links:

<http://australien.um.dk/da/rejse-og-ophold/> (in Danish)

<http://australien.um.dk/en/travel-and-residence/> (in English)

on the Danish Ministry of Foreign Affairs' website for Australia and New Zealand ([www.australien.um.dk](http://www.australien.um.dk)) prior to lodging your application. Should you still have unanswered questions after checking the information on the website, please don't hesitate to contact either the Danish Embassy in Canberra or the Consulate-General in Sydney prior to lodging your application. – Contact details of both, can be found on above website.

Please be aware, it is possible to withdraw your application for a Danish passport at any time, however once processing of your application has started (after lodging the application and payment of associated fee) it will not be possible to get a refund of the application fee.
